PARTS LIST NO. M58703 00204

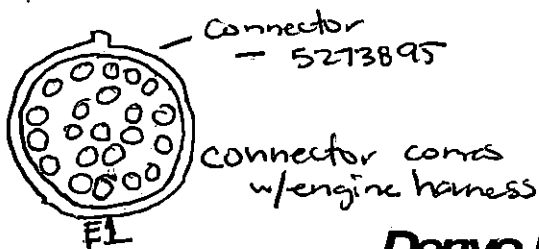

DCA - 300SSCU4i

PARTSLIST

Fan - 0602060017

Fan Pulley - 3929002

Denyo Manufacturing Corp.

SERIAL No. 9100305~

HOW TO USE THE PARTS LIST

1. This parts list covers the parts for Engine-Driven AC Generator Model DCA-300SSCU2.
2. When placing orders, specify the following details:
 - 1) Model Number and Serial Number.
 - 2) Parts Number and Parts Name.
 - 3) Quantity required.
3. The parts listed with a serial number are new parts.
Please place an order with us after confirmation of serial number for machine at your side.
4. The sequence of this parts list is by machine structure. Each group of parts has an illustration on the first page of the parts list. Parts can be identified on the parts list, using the key number on the illustration. These key number, on the illustration, are also shown on the lefthand column in the parts list.
5. The parts number are shown as 10 digits and alphabet. The parts number of the parts makers are shown in the remark column.
6. The parts marked with an asterisk and the parts not listed are not available as a single part, and orders must be placed for them as an assembly.
7. This parts list uses the following abbreviations and symbols:

All	:Some parts differ from unit to unit	P.	:Page
Ass'y	:Assembly	Re.	:Rear
Fr.	:Front	R.H.	:Right
L.H.	:Left	STD	:Standard
No.	:Number	→	:Indication of the page where the modified or additional parts are listed.
O.P.	:Optional Parts		

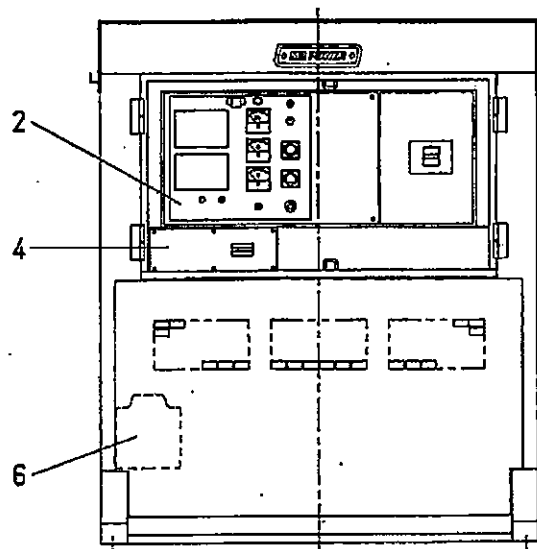

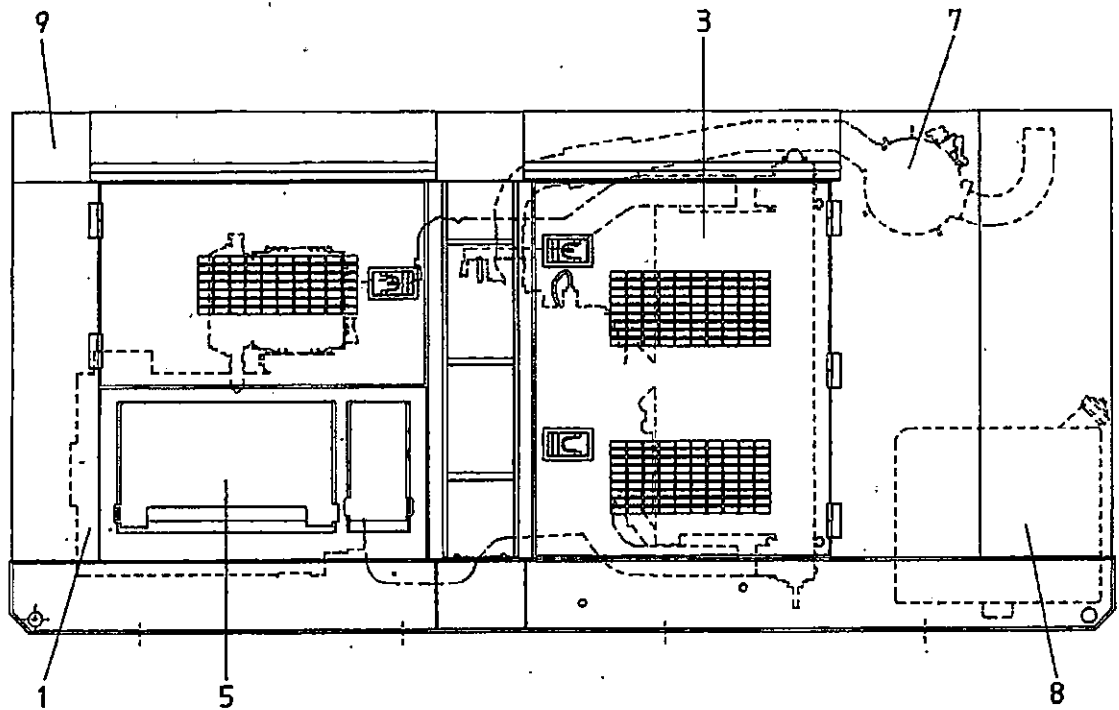

Each symbol [A] [B] [C] listed in a part of Q'ty shows the appropriate parts number for the unit you purchased. The meaning of the symbol [A] [B] [C] is listed on the first top place of each assembly group.

Please check the specification of the unit such as frequency, voltage, model No. etc. before placing orders.

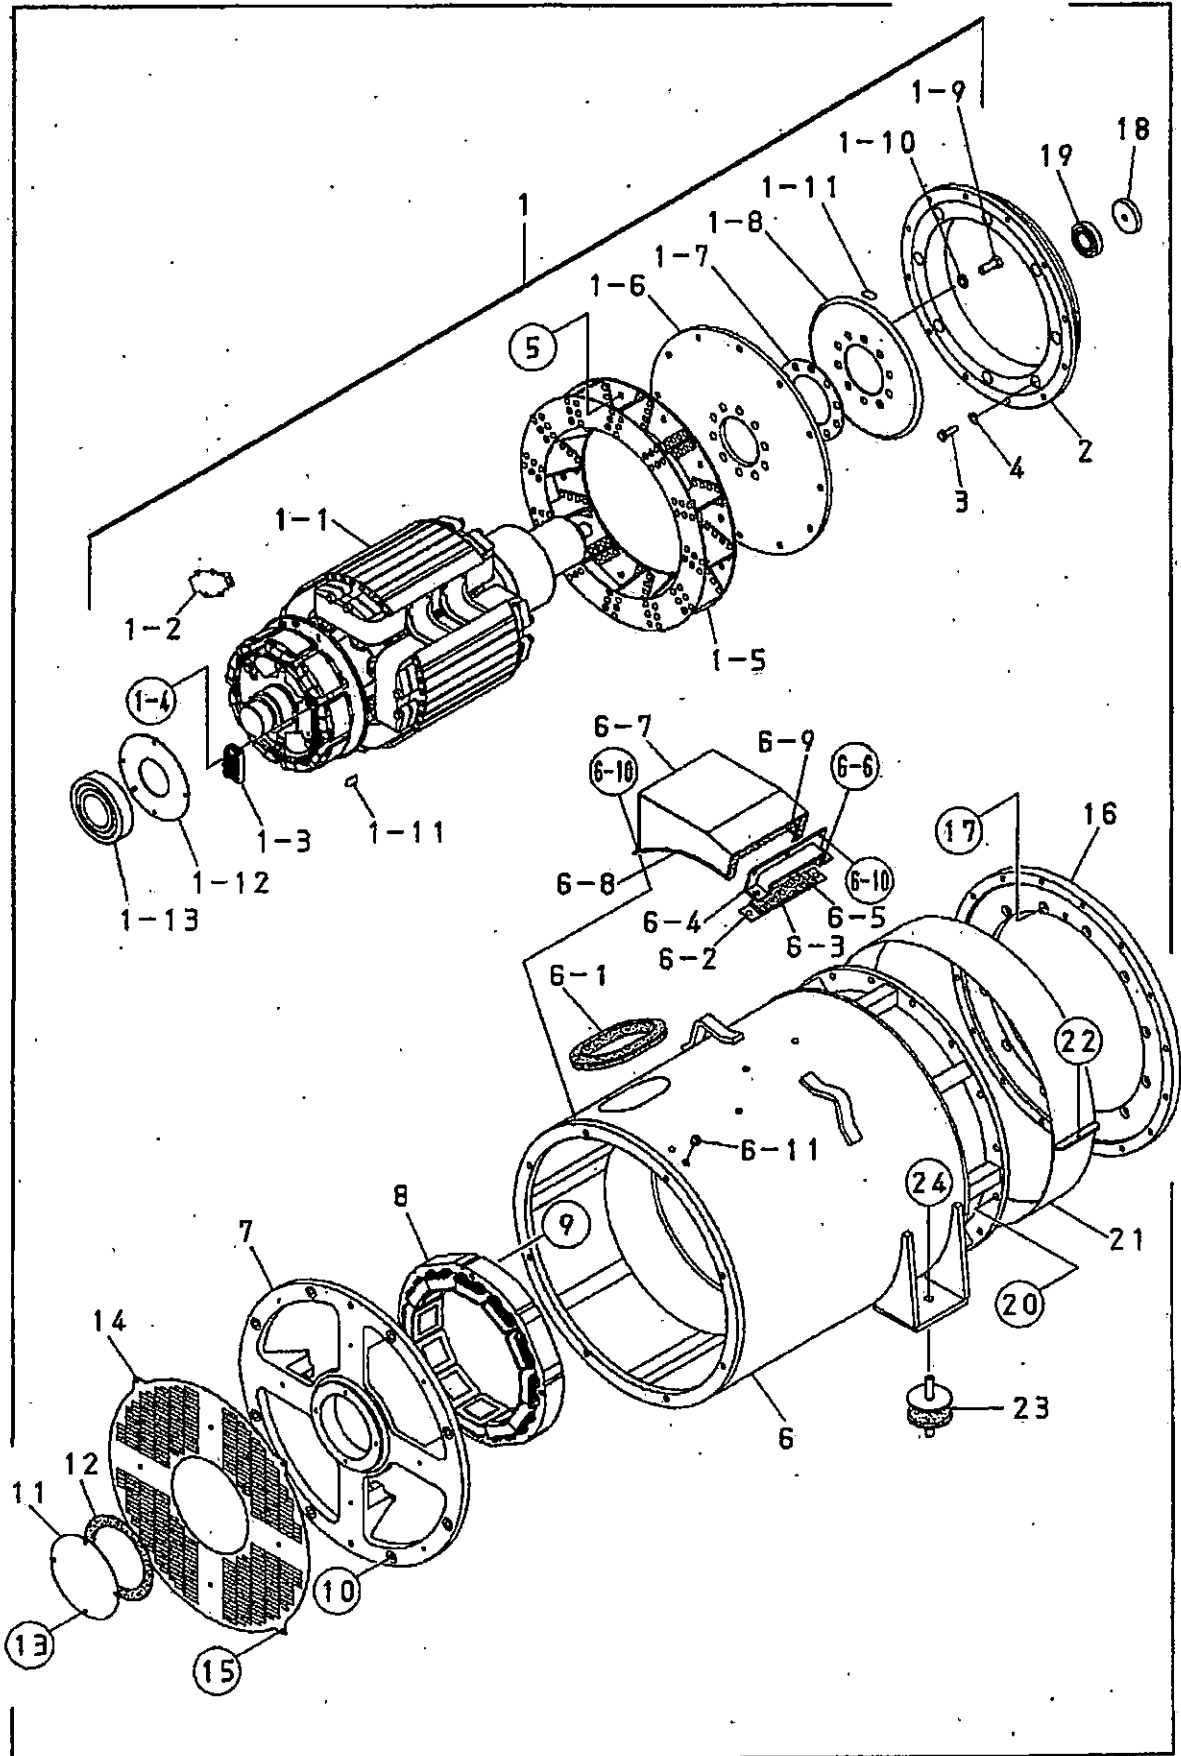

8. Left (L.H.) and Right (R.H.) used in this parts list show the direction when you look at the engine from the generator side.
9. For the engine parts not listed in this parts list, refer to "Cummins Inc. QSL9-G8 Diesel Engine Parts Catalogue."
